FOR IMMEDIATE RELEASE – December 1, 2008

Citizens National Bank Adds Rewards to Visa Credit Card Program

Beginning Monday, December 1st, all Citizens National Bank issued Visa credit cards, both business and personal, will have a rewards program attached to them. All existing Visa customers are automatically enrolled in the program. Every new person who accepts a CNB Visa Credit Card will also be automatically enrolled.

The program is called ScoreCard, and is a points based system. For every \$1 charged to their credit card, the customer will receive one point. As points accumulate, they may use them to purchase merchandise or travel directly through the ScoreCard website, www.scorecardrewards.com. Through this website, cardholders may view their available point balances, view available awards, and submit redemption requests for merchandise or travel. Cardholders will also receive a quarterly statement with their available point balance and will receive reminders about the program in their Visa statements.

There is no cost to enroll in the program and awards range from name brand small appliances and sporting goods to travel rewards, including airline tickets and cruise packages. Citizens National Bank is excited to offer this added benefit to its Visa cardholders. To learn more, visit www.scorecardrewards.com.

With offices in Bluffton, Celina, Elida, Findlay, Lima, Springfield and Van Wert, Citizens National Bank has assets totaling more than \$518 million and has been serving the communities of West Central Ohio since 1920.
