FOR IMMEDIATE RELEASE – September 3, 2008

Online Credit Card Management Now Available for CNB Visa Card Holders

For Citizens National Bank Visa credit card holders, managing their account just got easier! Through a program called eZCard info, these customers can now use this personalized online banking service, 24 hours a day, to access their account information, pay their bill online and more.

To access this service, simply go to www.cnbohio.com/personal_visa_credit_card.asp and click the ad on the left-hand side of the page. This link takes you directly to the eZCard Info website where, through a few simple steps, users can create their username and password and enroll. Once enrolled these exciting features are all available at the click of a mouse:

- View account balance.
- Check available credit.
- View current and past statements.
- Make payments online.
- Download transaction history to financial software.
- Manage multiple accounts.
- Set-up recurring payments.

Additionally customers will stay informed with e-mail alerts regarding notice of next payment due, when a new statement is available, and if the credit limit has been reached. Also, customer service is available 24/7. The site is fully encrypted and fully protected, providing security that each customer's credit card information is always secure.

With offices in Bluffton, Celina, Elida, Findlay, Lima, Springfield and Van Wert, Citizens National Bank has assets totaling more than \$481 million and has been serving the communities of West Central Ohio since 1920.
